

Summer Modern Intensive

The Moving Company Dance Center provides professional dance instruction to dancers of all ages and abilities. In our classes of ballet, pointe, jazz, modern, tap, and hip hop, we challenge and support the students to reach their artistic and technical promise.

Our goal is to foster a lifelong love and appreciation of dance and to train well prepared, technically proficient dancers in a warm and nurturing environment.

Our classes are small allowing our devoted and accomplished teachers to provide individualized attention. We invite you to come visit us to experience the creative atmosphere and be inspired by the enthusiasm and dedication of our students and teachers. Dance changes lives!
